The Board of Directors of the WACO Community School District, hereinafter referred to as the "Board", and the WACO Education Association, hereinafter referred to as the "Association", recognize that the aim of the public schools is to provide a quality education program for children and youth of the School District. The parties further recognize that the attainment of this educational objective is a joint responsibility of the Board, the administrative and supervisory staff, the professional teaching personnel of the district, the parents of students, and the community at large.

Whereas, the Board has agreed to negotiate in good faith with the Association and,

Whereas, the parties have reached certain understandings which they desire to confirm in this Agreement, it is agreed as follows:

I. ARTICLE: RECOGNITION

A. UNIT

The Board hereby recognizes the WACO Education Association, an affiliate of the Iowa State Education Association and the National Education Association, as the certified, exclusive and sole bargaining representative for all personnel as set forth in the PERB certification instrument (Case 532) issued by the PERB on the 12th day of December, 1975.

The unit described in the above certification is as follows:

All full-time and regular part-time classroom teachers, counselors, nurse(s), and certified librarians.

Excluded: Superintendent, principals, non-professional employees.

The Association recognizes the Board as the duly elected representatives of the people and agrees to negotiate only with the Board through the negotiation agent or agents officially designated by the Board to act in its behalf.

No item in this agreement shall be contradictory to The Code of Iowa.

B. DEFINITIONS

1. The term "Board", as used in this Agreement, shall mean the Board of Education of the WACO Community School District or its duly authorized representatives.
2. The term "employee", as used in this Agreement, shall mean all Professional employees represented by this Association in the bargaining unit as defined and certified by the Public Employee Relations Board.
3. The term "Association", as used in this Agreement, shall mean the WACO Education Association or its duly authorized representatives or agents.

II. ARTICLE: PROCEDURE FOR NEGOTIATIONS

A. MUTUAL COMMITMENT TO GOOD FAITH NEGOTIATIONS

Good faith negotiations requires a free and open exchange of views by the parties involved in the negotiations; therefore, both parties agree to meet at reasonable times and places to negotiate in a good faith effort to reach agreement in accordance with Chapter 20 of the Iowa Code. During the course of negotiations, the parties have the privilege to make proposals and

counter- proposals. Articles tentatively agreed to shall be set aside subject to ratification of the Agreement.

B. REQUESTS FOR MEETINGS

The Board and the Association shall meet for the purpose of negotiating and seeking agreement. Requests from the Association for negotiation meetings shall be made in writing to the president of the Board or its designated representative. Requests from the Board shall be made in writing to the president of the Association or the designated representative.

Within five (5) days of the date of the request, a mutually convenient time and place for a meeting shall be established. This meeting shall take place at the earliest possible date following the date of the request. Additional meetings shall be agreed upon by the negotiations representatives as may be necessary to complete an agreement.

When negotiation sessions between both parties are conducted during regular school hours, release time shall be provided for the Association's negotiating committee.

C. NEGOTIATION TEAMS

Neither party in any negotiations shall have any control over the selection of the bargaining representatives of the other party. The parties mutually pledge that their representatives will be clothed with all the necessary power and authority to make proposals, counterproposals and to reach tentative agreement on items being negotiated.

III. ARTICLE: ASSOCIATION RIGHTS

A. USE OF FACILITIES

The Association and its members shall have the right to make use of school buildings and facilities at reasonable times that will in no way interfere with any aspect of the instructional program. The principal of the building shall be notified of the time and place of all meetings.

The Association shall pay for reasonable expense of materials and supplies incidental to such use, and damages to equipment due to negligence.

B. COMMUNICATIONS

The Association shall have the right to post notices of activities and matters of Association concern on employee bulletin boards (one in each building). The Association may

use inter-school mail, electronic communication tools, and employee mailboxes for communications to employees.

IV. ARTICLE: GRIEVANCE PROCEDURE

A. SECTION 1

A grievance shall mean a claim by an employee, a group of employees, or the Association, that there has been an alleged violation, misinterpretation or misapplication of any specific provisions of the Agreement.

B. SECTION 2

- a. Every employee covered by this Agreement shall have the right to present grievances in accordance with these procedures.
- b. The failure of an employee (or, in the event of an appeal to arbitration, the Association), to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- c. It is agreed that any investigation or other handling or procession of any grievance by the grieving employee shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grieving employee or of the teaching staff.
- d. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the times set forth herein may be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of 30 days thereafter.
- e. Any aggrieved employee may be represented at all stages of the grievance procedure by oneself or at the employee's option by a representative selected or approved by the Association. If a grievant is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

C. SECTION 3

- a. First step. An attempt shall be made to resolve any grievance in informal, verbal discussion between the complainant and the principal within ten (10) school days of the date of occurrence of the event giving rise to the grievance or became known to the grievant. If the employee is not satisfied with the discussion, the complainant shall inform the principal that this has been a first step discussion at that time.
- b. Second step. If the grievance cannot be resolved informally, the aggrieved employee shall file a written grievance with the principal and the president of the Association, and, at a mutually agreeable time, discuss the matter with the principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) school days from the date of the informal meeting with the principal in step one. The principal shall make a decision on the grievance and communicate it in writing to the employee and the Superintendent within ten (10) school days after receipt of the grievance.
- c. Third Step. In the event a grievance has not been satisfactorily resolved to the satisfaction of the grievant at the second step, the aggrieved employee shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and the Superintendent shall meet to resolve the grievance. The Superintendent shall file an answer, with supporting rationale, within ten (10) school days of the third step grievance meeting and communicate it in writing to the employee and the principal.
- d. Fourth step. If the grievance is not resolved to the satisfaction of the grievant at step three, there shall be available a fourth step of impartial, binding arbitration. The Association may submit, in writing, a request on behalf of the Association and the grieving employee, to the Superintendent within twenty (20) school days from receipt of the step three answer to enter into such arbitration. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two parties within ten (10) school days after said notice is given. If the two parties fail to reach agreement on an Arbitrator within ten (10) school days, the Public Employment Relations Board will be requested to provide a list of five (5) Arbitrators. The parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right shall do so within five (5) school days, and the other party shall have five (5) additional school days to remove one of the remaining names.

This alternating procedure shall continue until only one name remains. The person whose name remains shall be the Arbitrator.

Expenses for the Arbitrator's services shall be borne equally by the School District and the Association.

The Arbitrator, in a formal opinion, shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. The Arbitrator's authority shall be binding and limited to deciding

only the issue or issues presented in writing by the School District and the Association, and the decision must be based solely and only upon the interpretation of the meaning or application of the express relevant language of the Agreement.

V. ARTICLE: IMPASSE PROCEDURES

Experienced employees hired into the district for the first time shall be credited up to thirty (30) days cumulative sick leave, if these days have been accumulated during the employment in a previous school district within the past two years. These thirty (30) days of credit will stand without additional days to be credited until the beginning of the third year in this system. For all regular part-time employees (working less than 5 days per week) leave will be on a pro-rata basis consistent with their hours of employment and with this policy.

B. SICK LEAVE

All regular employees shall be allowed sick leave days deducted when unable to perform the duties of employment due to personal mental or physical illness, injury or disability, or pregnancy (consistent with worker's compensation law). If the district believes an abuse of sick leave may exist, the district may request a doctor's verification. However, a doctor's release will be required when returning from an illness or injury and when the employee's ability to perform job duties is in question.

Each employee shall receive annual notification no later than September 30 as to the amount of sick leave used the previous year and the amount accumulated according to the records for the coming fiscal year.

D. BEREAVEMENT

These days may be used as personal leave at the discretion of the employee. Those employees on extended contract may use their employee discretion days within the scope of their extended contract time. The employee must be at work the last day prior to and the first workday following a vacation or holiday. Personal leave may be denied if a substitute is not available. However exceptions may be granted by the Superintendent of Schools. Personal leave must be used prior to using unpaid leave.

An employee will be allowed early dismissal or late arrival for conducting business of a personal nature, which must be conducted in person and cannot be conducted outside the normal workday. If the amount of time taken from the workday exceeds two hours, it will be subject to the limitations listed above.

F. JURY AND LEGAL

Any employee called for jury duty during school hours or is subpoenaed to appear in any judicial or administrative proceedings during school hours shall be released with pay. However, any remuneration received for such duty shall revert to the district.

G. ASSOCIATION LEAVE

The Association shall have up to four (4) days per year to be used for Association business and activities. An additional three (3) days of leave will be granted for Association business and activities with the substitute to be paid by the Association.

H. PROFESSIONAL LEAVE

Employees who wish to initiate a request for professional leave shall discuss how the proposed leave will meet this goal with the principal prior to submission of the leave request form. Following the employee initiated professional leave, the employee shall submit a written report to the board that explains the purpose for the leave, what was learned, and how the learning will result in improved student learning. Employees will be granted Professional Leave at the discretion of the Principal and/or Superintendent.

I. UNPAID LEAVE

Unpaid leave for licensed employees must be authorized by the Superintendent. The Superintendent shall have discretion to grant or deny the requested unpaid leave. In making this determination, the Superintendent shall consider the effect of the employee's absence on the education program and school district operations, length of service, previous record of absence, the reason for the requested absence and other factors relevant to making this determination.

If unpaid leave is granted, the duration of the leave period shall be coordinated with the scheduling of the education program whenever possible to minimize the disruption of the education program and school district operations.

J. MILITARY LEAVE

Leave of absence shall be granted for any period of active state or federal military service. Continuation of pay and/or benefits, and the right to reemployment after such service, will be provided as required by state and federal law.

K. ADMINISTRATIVE LEAVE

The Superintendent of Schools has the authority to put an employee on administrative leave for conduct that violates Iowa Code. This action will be subject to due process rights granted under federal law.

VII. ARTICLE: EMPLOYEE EVALUATION

A. FORMAL OBSERVATION

1. Probationary Employees. Each probationary employee shall be formally observed by their supervising principal for the purpose of evaluation at least once each semester. This schedule of evaluation shall be in effect during the probation period.
2. Non-Probationary Employees. Each employee no longer on probation shall be formally observed by their supervising principal at least once every three years for the purpose of evaluation. An employee not performing their duties at competency level may be formally evaluated out of cycle if the reasons are given in writing to the employee.

B. NOTIFICATION

The principal shall provide each employee with the evaluation procedure and instruments to be used. No formal evaluations shall take place until such orientation has been given.

Each employee shall receive advanced notification as to the date and time of the formal observation. A recommendation of five (5) school days or less upon mutual agreement is hereby given.

C. OBSERVATIONS-EVALUATIONS

All formal observations of an employee shall be conducted with the full knowledge of the employee for evaluation of professional performance.

1. Pre-evaluation. The supervising principal and the employee shall hold a pre-evaluation conference prior to any formal observation so that objectives, methods, materials, nature of students, and class management system to be observed may be discussed.
2. Formal evaluation. Each formal written evaluation shall be preceded by a classroom observation of at least twenty (20) minutes. Audio and/or video taping of the performance of duties may be conducted with the employee's agreement and shall not replace but may be added to the formal evaluation-observation process.
3. Written evaluation. All evaluations shall be reduced to writing and a copy of each written evaluation shall be given to the employee within ten (10) school days of the observation.
4. Evaluation conference. Following the written evaluation a personal conference shall be held between the supervising principal and the employee within ten (10) school days except in unusual circumstances.

The employee shall receive a copy of the evaluation one (1) day prior to said conference upon request. After discussing the completed evaluation, the employee and the supervising principal shall sign the written evaluation. The employee's signature shall only indicate their awareness of the contents of the evaluation. The employee may respond to the evaluation and submit a written response to their supervising principal within ten (10) school days. The response shall be attached to any file copy of the employee's evaluation and shall be signed and dated by both parties to indicate awareness of the content.

5. Right to grieve evaluation. Any employee who has been evaluated has the right to grieve any evaluation through the grievance procedure set forth in this Agreement.

D. DEFICIENCY IDENTIFICATION AND REMEDIATION

The principal may lend positive assistance to aid the employee in their efforts to improve the quality of their teaching and in their attempts to improve and eliminate difficulties noted in any evaluation. When deficiencies are identified through the formal evaluation process, the supervising principal and the employee shall work together to form a written plan of remediation according to the Assistance Cycle. The plan may include, but not be limited to, specific actions, behaviors to be implemented, expected outcomes, indicators of acceptable performance, and a reasonable time line for implementation and improvement as outlined in the support materials accompanying the evaluation instruments. An initialed copy of the plan shall be retained by the supervising principal and the employee. After following the assistance cycle through its various steps the employee will be either terminated or returned to the three year cycle. A probationary employee may be given an extension according to Iowa Code 279.19.

E. CONTRACTUAL DUTIES-NON CLASSROOM/SUPPLEMENTAL PAY

The employee shall be evaluated informally during the performance of contractual duties as listed in Article XVI (Supplemental Pay). All formal evaluations shall be reduced to writing and a copy given to the employee.

F. EMPLOYEE FILE

1. Contents. Each employee has the right to review and copy all evaluative documents contained in their file. An appointment may be made during business hours with the Superintendent or designee. The file must not leave the office premises. A representative of the Association, at the employee request, may accompany the employee in this review.
2. Complaints. Any written complaints directed toward an employee which are placed in the employee's file are to be promptly called to the employee's attention in writing within five (5) days of being placed in the employee's file.

G. EVALUATION INSTRUMENT

By this reference, the evaluation instruments shall be incorporated into this Agreement.

VIII. ARTICLE: TRANSFERS AND ASSIGNMENTS

A. VOLUNTARY TRANSFERS

Employees who desire a transfer to another position, may file a written statement of such a desire with the Superintendent. Such statement shall include the assignment to which the employee wishes to be transferred and reason(s) for desiring transfers.

In determination of requests for voluntary transfer, the wishes of the employee shall be honored to the extent that the transfer is deemed by the employer to be in the best interest of the school system. If more than one employee applies for the same position resulting in the transfer, the final determination shall be based on the needs of the instructional program with consideration being given to certification, academic preparation, previous experience, and years of experience in the WACO system.

B. INVOLUNTARY TRANSFERS

1. If in the judgment of the employer, it is necessary for the employer to initiate a transfer and there is no suitable volunteer available, the superintendent shall inform the employee, in writing, of the reasons for the transfer within five (5) days of the decision.
2. Employer initiated transfers of an employee shall not be effective until a personal conference has been held between the superintendent, the employee, and an association representative.

C. ASSIGNMENTS

Employees will be notified in writing of their assignments for the following year no later than the last day of school. If there is a change in assignment after that date, the employee shall be notified as soon as practical. It is understood that assignment decisions shall be at the discretion of the administration. If the employee's assignment is changed from the previous year, the employee shall be given the reason for the change in writing.

IX. ARTICLE: SENIORITY

Any voluntary assignment in addition to the normal teaching schedule during the regular school year including Driver Education, Adult Education courses, summer and evening courses, and extra duties as enumerated in the Supplemental Pay Article shall be made with the consent of the employee with preference being given to the most senior employee(s) within the employee's field of teaching as currently employed in the District.

If assignment is made on other than by voluntary methods, criteria to be used by the Administration shall be based on employee's certification, qualification, competency, and past experience in the position. If in the Administration's judgment two or more employees are equal, the assignment shall be given to the employee with the least seniority in the system.

Seniority shall be district-wide and computed from the date the employee signed the initial individual contract. Employees who work more than half time shall receive full seniority. Employees who work half time or less shall receive prorated seniority. If two (2) or more employees have the same seniority date, the relative order of seniority for purposes of this Agreement, shall be determined by drawing lots at the time of hiring.

The Association shall receive a seniority list by September 15th of each year. If a question of correctness is raised by the Association by October 1, the Association representative and the Superintendent shall meet to develop a corrected list. If there are no changes made by October 1, the list shall be considered final.

The parties agree to implement this language as soon as both parties have agreed to it. If the parties proceed to arbitration the language will go into effect upon the receipt of the arbitration decision.

X. ARTICLE: STAFF REDUCTION

D. RECALL

Any employee terminated under this Article shall automatically be considered for recall for one (1) year, and for a second consecutive year if such desire is submitted in writing to the Superintendent of Schools by the end of the first year of recall. Terminated employee(s) shall advise the Superintendent of their current address(es). If any employee fails to notify the Superintendent of a change of address or fails, within ten (10) days of receipt of notice of

considered recall, to advise the Superintendent of the employee's desire and availability to return and work, all recall rights shall terminate.

Employees shall be recalled in reverse order of termination to a position for which the employee is qualified. The date of termination shall be deemed to be the last day of the regular school year of which termination occurred.

An employee who is terminated because of staff reduction, and who is re-employed by the WACO Community School District as per this Article shall be placed on the salary schedule one step advanced from the employee's position on the schedule at the time of departure.
